Remarks/Directions

Client Rmks: **This is a remarkably beautiful Four Mile Lake property that has been thoughtfully designed to be enjoyable in every season. The large, level 1.6 acre lot with 145 ft of west-facing waterfront provides exquisite privacy, smooth granite outcroppings and a wonderful sense of connection to the natural surroundings. The lovely cottage has had \$200,000 in recent upgrades, including a new Waterloo Biofilter septic system (2017), heat pump/furnace (2018), well and water treatment systems (2019/2020), and numerous cosmetic enhancements. The living, dining, kitchen and powder rooms are on the main level, along with a wrap-around deck and a very spacious sun room in a woodland setting with new vinyl/screened stacking windows. Three bedrooms including the Primary and a luxurious 4 pc bathroom are on the upper level, and a finished loft provides extra living space. The waterfront studio is also spectacular, with an expansive seasonal living area on the upper level, a lakeside sitting room on the lower level for perfect sunset viewing, and a spacious storage room with a newly installed ECO toilet. Most furniture, which is of exceptional quality, is included.**

Inclusions: **Dishwasher, dryer, furniture, hot water tank owned, microwave, refrigerator, stove, washer, window coverings. Refer to Schedule C.**
