Client Rmks: **Welcome to this immaculately maintained country home ideally situated on an extremely picturesque private 1 acre lot within walking distance to amenities in Fenelon Falls. This 4 bedroom/3 bathroom home provides almost 2,800 sq ft of living area on 4 levels, and was totally renovated down to the studs in 2014 including new wiring and insulation. The open concept main living area is highlighted by a large and bright kitchen that overlooks the dining area and living room featuring a cozy propane fireplace. The main floor family room features a beautiful stone fireplace, laundry room, an enclosed front entrance porch and an expansive attached double garage. The grounds are beautifully landscaped with an abundance of perennial beds and large mature trees. The west facing back yard features a covered flagstone patio facing a pond with waterfall. Enjoy your days in the large Arctic Spa hot tub or sit around the fire pit to enjoy the sunsets. An insulated and heated garage/workshop is located in the back yard along with a garden shed for your toys. A new septic system was installed in 2014, and there is a lengthy list of recent enhancements, including a new asphalt driveway (2020) and furnace and a/c (2022).
