Remarks/Directions

Client Rmks: **Welcome to this immaculately maintained country home ideally situated on an extremely picturesque private 1 acre lot within walking distance to amenities in Fenelon Falls. This 4 bedroom/3 bathroom home provides almost 2,800 sq ft of living area on 4 levels, and was totally renovated down to the studs in 2014 including new wiring and insulation. The open concept main living area is highlighted by a large and bright kitchen that overlooks the dining area and living room featuring a cozy propane fireplace. The main floor family room features a beautiful stone fireplace, laundry room, an enclosed front entrance porch and an expansive attached double garage. The upper level has three good sized bedrooms and a bathroom including a recently redone gorgeous walk-in shower. The basement includes a rec room, large guest bedroom and bathroom. The grounds are beautifully landscaped with an abundance of perennial beds and large mature trees. The west facing back yard features a covered flagstone patio facing a pond with waterfall. Enjoy your days in the large Arctic Spa hot tub or sit around the fire pit to enjoy the sunsets. An insulated and heated garage/workshop is located in the back yard along with a garden shed for your toys. A new septic system was installed in 2014, and there is a lengthy list of recent enhancements, including a new asphalt driveway (2020) and furnace and a/c (2022). Close to access nearby ATV/snowmobile/walking trails!**

Inclusions: **Dishwasher, dryer, washer, microwave, refrigerator, stove, wine cooler, garage door openers, hot tub, hot water tank owned, window coverings, smoke detectors.**
