Public Remarks: **BIG BALD LAKE** Enjoy perfect western exposure over the expanse of prestigious Big Bald Lake on the Trent-Severn Waterway. Toast the sunset each evening on the newly constructed waterside deck built over the smooth granite shoreline – or dive into the deep water for a refreshing swim. The four-bedroom cottage is situated just behind a quiet natural cove that constitutes part of the 250 feet of waterfront. The elevated deck along the cottage provides excellent outdoor living space. The cottage has been significantly renovated including being raised to allow for a large, high-ceilinged unfinished basement with a walkout that provides options for significantly expanding the living space. The lot is level, with attractive granite outcroppings and perennial gardens. The extensive list of inclusions makes this property virtually turn-key.
