RE: Septic System
210 MacBeth Island
Permit # S07-454
Roll # 060 005 056

An inspection of the above noted project was carried out on June 1, 2017 by the Bracebridge Building Department, upon notice that the project was ready for inspection.

At the time of inspection the system appeared to be complete; in accordance with permit application and the Ontario Building Code therefore a final is granted. This permit is now considered closed.

Sincerely,

Carl Stevenson
Deputy Chief Building Inspector
